## Dual Credit Program Enrollment Agreement

**As a dual credit student I understand and agree to the following in order to enroll and receive college credit:**

- I must meet the high school's guidelines and be approved to take dual credit courses.
- I must complete all paperwork and submit it to UMPI to receive my college credit.
- I am a junior or senior in high school. Exceptions may be approved by my guidance counselor.
- I shall be charged \$15/credit hour (\$45 for a 3-credit course, \$60 for a 4-credit course) for each dual credit college course I am enrolled in as designated by the memorandum of understanding between my high school and UMPI.
- I understand that I am not officially enrolled until all required registration documents and payment have been submitted to the college. Payment is due at the time of enrollment. If I do not make payment at that time, I understand that I am subject to being dropped for non-payment. If I am allowed to be reinstated after the

- census date, an additional reinstatement fee of \$15/credit hour will be applied.
- I understand that dual credit courses are considered college-level courses, and I agree to comply and follow all policies of UMPI and my school district. By en-rolling I am creating a permanent college record; failure or poor performance in this course could potentially negatively impact future college admissions.
- I understand that I must notify UMPI by completing the withdrawal process through my guidance counselor or either online or in person at UMPI if I decide to withdraw from my courses. UMPI must be notified by me or my school district if I am no longer in the course. Notification must occur by the last date to withdraw (see UMPI calendar). In order to receive a grade of W, withdrawals after the last date to withdraw will result in a failing grade.
- I understand that my signature gives the high school permission to send to UMPI all required information as well as (if applicable) my final transcript upon graduation.
