

At the University of Maine at Presque Isle, our goal is to ensure you can Finish in Four. In addition to a wide range of academic and student support efforts, we've set up this pathway, or map, for you; if you follow this recommended sequence, you will complete your Bachelor's degree in four years. Together, we can help you Finish in Four and turn your degree into a great career.

Please note that this is a scheduling aid, not a guarantee of specific course offerings each semester. Course availability varies depending on the date of enrollment, so please be sure to consult the appropriate catalog for official degree/program requirements and seek guidance regularly from your faculty and professional academic advisors.

*Meets General Education Curriculum requirement

**UMFK requires a language at the 2nd year or level II level. UMFK's online FRE 163 Applied French for Health Care Professionals is preferred. For Nursing students, there is no prereq for FRE 163. Students may also take any other language at level II to meet this requirement. Students for whom English is their second language may have this requirement waived.
